HOW TO SCHEDULE

*To reserve your appointment time please call our office at **636-489-2000**, and the **level of care you prefer**. You will be asked to pay 50% of your appointment fee at that time. This is refundable **ONLY** if you cancel prior to five (5) business days before your appointment. This policy is in place because the nurse practitioner's time is valuable and if you are a "no show" to your appointment she is idle and cannot help other patients.
